Honda Home Charging Station

Best for:
Home charging overnight
for daily drivers.

Keep fully powered and ready to roll with the convenience of the Home Charging Station.

While you're relaxing at home, you can enjoy rapid, hassle-free, cost-efficient charging. It's the quickest, easiest way to maintain the recommended levels of 80% charge for everyday use and 100% for long trips.

¹Estimated 35.7 mi. range based on internal testing and specific conditions using Honda Home Charging Station. Your results will vary based on vehicle and battery condition, charger output, original state of charge, and environmental factors.

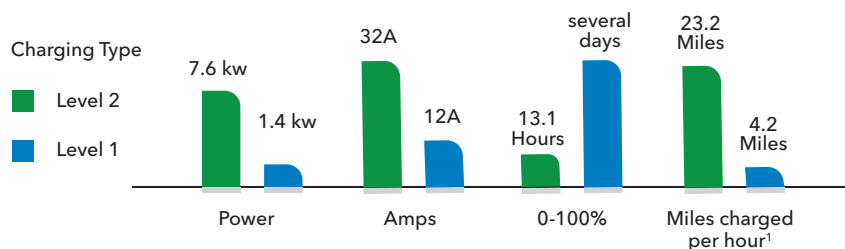

Honda Portable Charging Kit

The Portable Charging Kit allows you the flexibility of charging at home or on the go using either an appliance outlet or a standard home outlet.

For people driving less than 15 miles a day, apartment dwellers or home renters, this is an easy, convenient option for Level 1 charging. It's comforting to know you're never far from a power source during an unexpected or unplanned need of a charge.

Best for:
 Plug-in home charging* or low mileage daily drivers.
 *May require installation.

LEVEL 2 CHARGING

OR

LEVEL 1 CHARGING

¹Estimated 23.2 mi. range based on internal testing and specific conditions using Honda Portable Charging Kit. Your results will vary based on vehicle and battery condition, charger output, original state of charge, and environmental factors.

Make the right connection.

Whether you need to install a Home Charging Station or upgrade an outlet to speed up your Portable Charging Kit, trust Honda to deliver exceptional products and services. Visit Honda Home Electrification to get a quote. One of our dedicated Energy Advisors will be happy to answer your questions, provide personalized guidance, and coordinate the installation details so you don't have to. What's more, when you use an HHE installer, you'll receive additional warranty support for extra peace of mind.
